The world of work is changing shape. It's constantly evolving. And so are today's successful companies. Manpower has almost 60 years of experience in staffing, recruitment, training, HR services, outsourcing and consulting. We help companies anticipate and benefit from the changes happening now and next in the contemporary world of work.

The Manpower group of companies includes Manpower Professional, Jefferson Wells and Right Management. Together, we uniquely offer advice and implementation services in recruitment, training, HR services, outsourcing and consulting. We help businesses understand and anticipate their needs, and then we engage all our resources to help them meet those needs. Bottom line: the Manpower group of companies provides businesses with insight, people and powerful working strategies to get things done.

What we do

People

From CEO to staff. Financial to industrial. Direct hire to short-term contract. Manpower finds the best people for all types of jobs and industries at staff and professional levels. Each candidate's skills and goals are clearly identified, so we can make the best match of candidate to company. That means better retention rates and more opportunities for success.

The Manpower group of companies offers a wide range of skills training and leadership programs. These courses can serve as on-the-job reference tools as well as a convenient means to refresh old skills or learn new ones. They're designed to reach people in all industries, at all stages of career development.

Training

HR Services

Recruiting. Prescreening. Testing. Interviewing. Manpower offers a full spectrum of customizable HR services designed to reduce your hiring timeline and costs.

Customized managed service programs. Technology-enabled solutions. Business planning. Internal audit and tax operations. Finance and accounting operations. Recruitment process outsourcing. These are just some areas of expertise covered by the Manpower group of companies.

Outsourcing

HR solutions. Research and diagnostics. Benchmarking. Talent architecture. Organizational consulting across sectors. Find all this and more through Manpower and our group of companies.
