## What we do

### People

From office manager to electronic assembler. Financial to industrial. Direct hire to short-term contract. Manpower finds the best people for all types of jobs and industries. Each candidate's skills and goals are clearly identified, so we can make the best match of candidate to company. That means better retention rates and more opportunities for success.

Recruiting. Prescreening. Testing. Interviewing. Manpower offers a full spectrum of customizable HR services designed to reduce hiring timelines and costs.

Customized vendor management programs. Technology-enabled solutions. Business planning. Internal audit and tax operations. Finance and accounting operations. Recruitment process outsourcing. These are just some areas of expertise covered by Manpower and our group of companies: Manpower Professional, Jefferson Wells and Right Management.
